

# CABERNET SAUVIGNON

## WINE SPECIFICATION

**Vintage** | 2022

**Grape variety** | 93% Cabernet Sauvignon, 5% Cabernet Franc, 2% Petit Verdot

**Oak maturation** | 16 months - 28% new, 72% two and three year old French oak barriques

**Typical analysis** | 14.0% Alc/Vol

**Release date** | September 2023

## TASTING NOTES

**Colour** | Deep red with purple hue.

### Aroma

Clean and fragrant, showing great purity and concentration. The wine opens with blackberry, cassis, gravel dust, bay leaf, cocoa and fine cedar oak.

### Palate

Full and dense with fine powdery tannin. There are flavours of cassis, bay leaf, blackberry, cocoa, gravel dust and cedar oak. A powerful wine, decanting recommended.

### Food matches

Traditional roast lamb with rosemary.

**Peak drinking** | Drinking well now but will develop further in the bottle through until 2034. The wine will benefit from decanting before drinking.

## WINEMAKERS COMMENTS

### Viticulture

Picked from a selection of super premium cabernet vineyards at our disposal including a portion of open lyre trellis. As always, meticulous management of bud numbers and shoot thinning ensure a balanced canopy to ripen the crop. The vines grow in the well regarded gravelly/granite soils of Northern Margaret River and are allowed to reach full ripeness before harvesting. The 2022 growing season was warm and dry which allowed us to harvest grapes with ripe fruit characters and tannins. Our best Cabernet blocks were harvested between the 31st March and the 5th of April.

### Winemaking

The fruit was harvested in the morning, delivered to the winery and was processed straight away on receipt. Fermentation was controlled at 25-29 degrees Celsius in our small open fermenters with heading down boards. Extraction was achieved by daily draining of the wine away from the skins and returning back over the top, with fermentation and maceration times varying from 7 to 30 days. The wine was then pressed to a blend of new and older French oak barriques to complete malo - lactic fermentation.

### Storage/Bottling

Maturation lasted 15 months before the wine was bottled in July 2023. Bottled under screw cap to ensure the wine retains its varietal and regional integrity for longer.
