

2022 CABERNET SAUVIGNON

The Real Review 2024

96 Points

“Deep and brilliant purple-red colour; there are superbly ripe and concentrated cassis and blackberry aromas and stylish oak; the palate echoing these attributes with deliciously ripe berry cabernet flavours, concentrated and deep, with a beautifully balanced backing of fine-grained tannins. Glorious richness, flavour and perfect ripeness. A benchmark cabernet and an absolute gift at this price”
